ATTENTION ALL PHARR SOUTH RESIDENTS:

The Pharr South Board of Directors is pleased to announce we have four volunteers who submitted their biographies for consideration for appointment to the Board of Directors. All volunteers will be required to attend the Thursday, February 18, 2021 Board Meeting to give a short presentation and answer any questions the Board has regarding possible appointments. The Wilcox settlement requires all questions and discussions regarding Board openings take place during open Board Meetings. Pharr South Board of Directors

The Pharr South Board of Directors voted to postpone the park vote regarding Covenants and By-laws that was scheduled to be completed on March 3, 2021. This was done in response to many residents expressing concern regarding voting during the pandemic when not all owners are in residence. The postponement will provide more opportunity to review and discuss. If you have already mailed in or dropped off either an absentee or proxy ballot we apologize. Those ballots will be shredded. We thank the re-write committee who worked diligently to get these documents ready for the vote and to all the volunteers who worked on the mailing process. MJ Johnson, Secretary

FRONT GATE REMOTE OPENING – A reminder your visitors, contractors, delivery persons, etc. can enter your Lot Number in the control box located outside the gate following the instructions on the box. This will ring your telephone number listed in the gate software. You answer your phone and if it is someone you wish to permit to enter the Park, press 9 on your phone keypad and the gate will open. If this feature does not work, check with the office. This feature is more secure than having the office staff open the gate, since they do not know who you are expecting. If you are not expecting someone or do not know the person requesting you open the gate, please do not open the gate. Scott Vettleson, Security Director
